**Date of Issue:** 7<sup>th</sup> November 2008

**Issued to:** Inwell Street Metal Co Ltd

**For the Site At:** Kenyon Street

I refer to your application for a Waste Management Licence Modification, and now enclose your licence.

There is a right of appeal against the decision of the Environment Agency in respect of the conditions of your licence. The contact for such appeals is The Planning Inspectorate, Room 404, Kite Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel No 0117 372 8726, Fax 0117 372 6241).

The licence will remain effective unless and until it is either revoked by the Environment Agency or is surrendered. The licence may only be surrendered if the Environment Agency accepts the surrender following an application under Section 39 of the Environmental Protection Act 1990. The Environment Agency will only accept the surrender if it is satisfied that the condition of the land is unlikely to cause pollution of the environment or harm to human health so far as the condition is a result of the waste being treated, kept or disposed of on the land. A fee is payable.

If you want to further transfer your licence, you must make an application jointly with the person you propose to transfer it to under Section 40 of the Environmental Protection Act

1990. A fee is payable. The Environment Agency will only accept the transfer if it is satisfied that the person to whom you wish to transfer the licence is a fit and proper person to hold the licence.

You may apply under Section 37 of the Environmental Protection Act 1990 at any time to modify the conditions of your licence. A fee is payable. The Environment Agency may modify the conditions at any time to any extent it considers desirable and which is unlikely to require unreasonable expense on your part.

#### Environmental Permitting Regulations

Please note that from 7<sup>th</sup> May 2009 or the date any appeal is determined, whichever is the later, your licence will become an Environmental Permit and will be regulated from then on under the Environmental Permitting Regulations 2007. You do not need to do anything, there will be no changes to the conditions in the permit at that date and it will not affect your subsistence charge. If you have any queries about the Environmental Permitting Regulations please use the contacts below: Visit the Environmental Permitting Regulations page on our website: [www.environment-agency.gov.uk/business/epr](http://www.environment-agency.gov.uk/business/epr) ; Call our National Customer Contact Centre on 08708 506 506 (Monday - Friday, 8am-6pm); Email: [enquiries@environment-agency.gov.uk](mailto:enquiries@environment-agency.gov.uk).

I trust this letter clarifies the position with regard to the legislative requirements.

Please note that the transfer of this licence does not imply that other statutory requirements, e.g. those of the local Planning authority have been met.

Yours faithfully
